

# **THRIFT SHOP DONATIONS**

**Our Thrift Shop depends on the generosity of its donors.  
Thank you for your donations.**

We try to reuse and recycle those donations that are not suitable for the shop, passing on what we can to other charities. However, handling and removing items that are not sellable has a negative impact on the operation of the shop.

A rule of thumb about donations: Please ask yourself if you would be proud to give the donation to a friend? Donations must be new or gently used, in clean and working order.

Please bring in items when the shop is open. Just ask, and a volunteer will help you carry items downstairs from your car.
